PERFORMANCE BUILDING SOLUTIONS PRICE INCREASE ANNOUNCEMENT

Dear Valued Customer:

Effective Thursday, April 15, 2021 or as contracts allow, Performance Building Solutions, a business unit of DuPont, will increase the selling prices of all Styrofoam™ Brand Extruded Polystyrene Insulation products by eight percent (8%) in the United States*.

Orders placed prior to the close of business on April 2, 2021, which have scheduled ship dates on or before April 14, 2021 will receive the current prices. All orders shipping on or after April 15, 2021 will be subject to the new price. Pricing arranged for future orders prior to this announcement will be handled on a case by case basis. To manage orders for these products during this period (March 15, 2021 – April 14, 2021), DuPont reserves the right to limit the quantity purchased in advance of this increase.

We are committed to delivering the highest level of service, providing quality products and helping you enhance your business to best serve the current and future market needs. DuPont looks to accelerate the development of innovative solutions that will bring you products demanded by architects, builders and installers, with industry leading Building Science knowledge and technical service.

Thank you for the opportunity to supply your needs and for your continued support and understanding on investing in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Evans". The signature is fluid and cursive, written over a light gray horizontal line.

Tom Evans
Business Director – Americas
Performance Building Solutions

*Exception for the HFC regulated US states of CA, CO, NJ, NY, VT, and WA where pricing effective on February 8, 2021 has already been communicated to you separately by your DuPont sales representative.
