Rockfon® Price Increase, April 21st, 2025

Dear Valued Customer,

Due to current economic climate and associated inflationary pressures, please be informed that Rockfon will be increasing prices in the United States on the products and systems as follows:

Effective April 21st, 2025

- Rockfon Chicago Metallic Grid Systems +15%
- Rockfon Specialty Metal Ceilings +15%

Increases apply to all shipments on or after this date.

We will also be introducing Inventory Management & Control Measures effective immediately.

As always, we thank you for your continued support and wish you a successful 2025.

Please contact local your Rockfon salesperson with any questions.
